C. Included Features

- Branded Mobile Experience;
- NFC Configuration;
- Consumer Activation;
- Product-use Check-ins;
- Self-reported Supply/Inventory Status;
- Product Feedback and Preferences;
- Replenishment-intent Interactions;
- Reminder, flavor/quantity and reorder actions;
- Standard Dashboard, Analytics and Reporting.

Delete any feature not actually supplied. Add any extra feature expressly; marketing pages do not expand the order.

D. Product Specification and Artwork Status

Field	Required Value
Product Specification Status	[Accepted at Checkout / Pending Separate Approval]
Product Specification ID / Version / Link	[complete if finalized; otherwise Pending]
Artwork Status	[Accepted at Checkout / Pending Separate Approval]
Artwork ID / Version / File Hash	[complete if finalized; otherwise Pending]

Field	Required Value
Customer Approver and Timestamp	[complete if approved]

- If finalized before checkout, identify the version and accept it at checkout.
- If not finalized at checkout, mark "Pending Separate Approval." It becomes part of the Agreement upon Customer's later electronic approval.
- Mass production may not begin before both approvals are complete.

E. Data & Integrations

Field	Standard Setting
DPA	Applicable
Consumer Interaction Data	Enabled
Identifiable Consumer Data	[Enabled / Disabled]
Persistent Magnet/Device Identifier	Enabled
IP Retention	[Full / Truncated / Immediately Anonymized]
Shopify Integration	[Enabled / Disabled]
Klaviyo Integration	[Enabled / Disabled]
Individual-level Writeback	Disabled unless expressly enabled
Health/Sensitive Data Mode	Disabled
Direct Child Data	Disabled
Data Export	Standard CSV/JSON
Anonymized Deployment Exception	No

These fields are Customer's specific processing instructions. Any later expansion requires a Feature/Data Scope Change Confirmation.

F. Contract Documents Accepted

- FC Pilot Order & Service Terms — Version [●], Effective [●];
- FC Data Processing Addendum — Version [●], Effective [●];
- Product Specification — [Accepted at Checkout / Pending Separate Approval];
